RUSSIAN WARSHIP

The Bayan has been Stranded in Hang Chang Bay

WOUNDED JAPS BEING SENT HOME

The Story of the Sinking of the Japanese Gunboat still lacks any confirmation

IS THIS THE BAYAN?

Shanghai, Oct. 3rd.—A Russian warship, supposed to be the armored cruiser Bayan, of the Port Arthur squadron, is reported to have anchored off Gulziah island in Hang Chang bay. Two tugs have gone to bring her to Shanghai.

STORY OF SINKING A JAP GUNBOAT A MYTH.

Tokio, Oct. 3rd.—The navy department reports the destruction of another Russian steamer used in clearing mines at the entrance to Port Arthur harbor. The steamer struck a mine on September 20th and sank. Navy officers say the Russians are suffering from a shortage of small steamers used in clearing mines. The reported loss of a Japanese gun boat south of the Liao Tung peninsula by striking a mine has not been officially confirmed.

WOUNDED JAPS BEING SENT HOME.

General Oku's headquarters in the field, Oct. 2nd., via Fushan Oct. 3rd.—The first southbound train over the reconstructed railway left this morning carrying 490 Japanese wounded, 100 sick and 33 wounded Russian prisoners enroute to Japan. The wounded are practically the last of the Japanese wounded at the battle of Liao Yang.

RIFLE ASSOCIATION AWARDS

The Complete Prize List of the Edmonton-Strathcona Rifle Matches, September 20th to 22nd, 1904

NAME	Age	Nat	Am	All	Grand	Extra	Series	Total
				Comers	Aggregate	100 Yds.	600 Yds.	Prizes

F. Cowles	S	1						1
C. O'Neill	E			1				1
J. Covenlock	S	1						1

In addition to the above cash prizes W. Pearson won the Joint Association Silver Cup value \$25.00; H. B. Spratt the T.R.A. Silver Medal of Edmonton Association; S. S. Brown the Silver Cup of Edmonton Association, value \$15; E. A. Knapp the Rubenford prize and Silver Medal of Strathcona Association; W. L. Gibbard the Silver Shield of Edmonton Association; E. A. Osborne the Rifle Association Silver Medal of Edmonton Association.

The order in which the above names appear is that of the grand aggregate as far as it applies, the last eight, with the exception of one, a novice not having completed the series.

The 3rd and 4th prizes in the grand aggregate divided between these on account of tie.

The trophies presented by the Edmonton Association are on view in the window of Mr. S. Nankin.

VICTORIA

The people of Victoria were honored by a visit from the Rev. Dr. McDougall and Rev. Goro Kaburagi, a Japanese missionary from Vancouver, B.C. Mrs. McDougall and her son were also in the party. The Dr. held service in the evening, and was assisted by the Rev. Matheson, of Union Lake and Rev. Goro Kaburagi. It was specially interesting to hear the Rev. Kaburagi tell of his early boyhood in Japan and the love of his beathen parents towards him, his faith in the Lord Jesus Christ, and his loyalty to his country. Rev. Dr. McDougall spoke in the Cree language, and also closed the service in the same language.

The school board has decided to build an addition to the school house for the teacher to live in.

Mrs. Cannon, sr., of Egg Lake, has returned home from a visit to her grand daughter, Mrs. J. Smith.

Mr. J. A. Mitchell, of Messrs. Mitchell and son, accompanied by Mrs. Mitchell, is spending a week in Edmonton.

Mr. Jack Smith, who took up his residence with us in the spring and built one of the finest houses in these parts has returned home from a business trip to Chicago and other Illinois parts.

The Cimmon boys have gone on a trip to Fort Saskatchewan.

Mr. Jack Reed is working hard at his coal mine, and expects to have an abundance of this fuel for the surrounding country this winter.

Geo. Kennedy, of Edmonton, has lately built and opened a new store in this place. We wish him the best of success.

The crops in this district are being saved in good condition, the late frosts doing very little harm.

It is with difficulty that the ferry gets across the river now as it is so low.

Miss E. V. Danard, B.A., has accepted the position of school teacher at this place. Miss Danard is accompanied by her little niece.

Victoria, Sept. 29.

VALUE OF WHEAT GRADES

During the past summer the Territorial Department of Agriculture has had under way a very interesting investigation of the value of the different grades of wheat. Many farmers think that there is too wide a spread in the money value placed on the various grades and that the lower grades are nearly as valuable for milling purposes as the higher ones. In order to determine if there was any truth in this the Department secured eight hundred bushels of samples of wheat grown in the Wolsley and Sinaluta districts and sent them to Winnipeg, where they were graded by Mr. David Horn, then forwarded to Professor Robert Harcourt, chemist of the Ontario Agricultural college for analysis. Samples of these wheats were analyzed, then each lot was ground separately, careful note being made of the amount of flour and offal obtained from each. The resultant flours were analyzed separately and then three baking tests were made from each lot at three different dates. This work being practically completed the Department is now preparing a bulletin giving the results obtained. This will be issued and sent to all persons making application for it.

This week sample loaves made from the flour of the different grades were received at the Departmental officials and experienced bakers of the city. Although five days old the bread arrived in excellent condition. The loaves from the better grades of wheat were very much alike—an exceedingly creditable lot—showing that evidently there is very little difference in the strength of the flour made from the different grades. The most surprising loaf in the lot was that made from a sample of feed wheat, which, while a little darker in color, than those made from the better grades, yet was a very good loaf of bread and

a great surprise to all who saw it. Another interesting loaf was that made from No. 4 wheat, this also was a little darker in color, still it was a loaf such as many would be very glad to get.

Applications for the bulletin should be made to the Deputy Commissioner of Agriculture, Regina, N.W.T.

MONDAY, OCTOBER 3rd, 1904.

VEGREVILLE FAIR

The Vermillion Valley and Beaver Lake Agricultural Society held their second annual fall fair at Vegreville on Friday, Sept. 30th. Though the weather was somewhat threatening in the morning, the day turned out fine. Roads and trails were in good shape and early in the forenoon a crowd began to gather from far and near. By noon the exhibits were all in place and the judges at work, while a merry audience thronged the grounds and exchanged greetings. The district was well represented from Beaver Lake in the west to Birch Creek on the east, and Warwick on the north to the far southern settlements.

While the exhibits were the chief attraction, there was a lively hour spent in horse racing and athletic events which were keenly contested. The baseball tournament however, which was looked forward to by the young people as the great event, failed to materialize. Vegreville, Warwick and Tofteld were billed to play for a silver trophy and the championship of the Vermillion Valley. Tofteld failed to put in an appearance at all. Warwick was there in full force, keen for battle. In the afternoon it was decided that Warwick and Vegreville should play, but after several attempts Vegreville failed to get their team together, and after waiting long and patiently, Warwick left the field with three rousing cheers. The settlement of the trophy and championship though claimed by Warwick, was not decided on the grounds, but will probably be discussed later.

The exhibits on the grounds included horses, cattle, sheep, swine and poultry. In horses there was a good showing, particularly in the general purpose class. On account of the busy season and newness of the country, the horses were not as smooth looking as one would see at a large fair, but while a little fancy work adds greatly to the appearance of a horse, it takes a great deal of time, which a new settler cannot afford. But this is only a trifle, and the horses all had the build and condition which proved them to be tried and found the very best. One could have no doubt of their ability to do the hard work required of them. The exhibits in cattle were few, though of the very best. But the ranchers are too far away and the prizes too small to make it worth while bringing cattle far. But those that were there are evidence that the cattle business is a safe one in the Vermillion. Some very fine sheep were shown, but swine were few, probably owing to the difficulty of transportation. A nice exhibit of first class poultry was also shown.

But where the fair comes to the front is in the exhibits of agricultural products and domestic manufactures. A spacious new hall had been erected and was filled to overflowing with an exhibit which stands second to none in the Territories.

In threshed grains, were perfect samples of Red Fife wheat, Fall

wheat, Six-rowed barley, Two-rowed barley, White oats, Field peas and flax. The sheaves of grains and grasses were also very good.

The Domestic Manufactures included an excellent and tempting display of butter, cheese, ham, bacon, bread and buns made of Alberta flour, native pickles, preserves, jams and jellies, home made wines, vinegar and soap, and home made willow baskets and horse shoes.

In vegetables it would be hard to find a better collection, including in many cases several varieties of beans, cabbage, cauliflower, carrots, celery, cucumbers, lettuce, onions, parsnips, garden peas, potatoes, turnips, radishes, vegetable marrow, rhubarb, mangold wurtzel, beets, musk melons and tomatoes. Samples of extra fine quality and size were particularly in evidence among the cabbages, cauliflowers, onions and potatoes. The ripe tomatoes and musk melons also were much praised and a single stalk of rape of immense growth was also prominent.

The exhibit of ladies' work was very pretty and included a great variety of useful and ornamental articles.

The school exhibits were splendid and would do credit to any district in the west. The map drawing deserves special mention, but the chief attractions were the exhibits of wild flowers, which included a great variety very neatly pressed, mounted and labelled. It must have meant hours of faithful work for the children and will be of much value in nature study.

The day passed off very successfully. In the evening a concert was given by the citizens of Vegreville, many of the visitors to the fair remaining for it.

The officers and directors in charge of the fair deserve praise for their untiring energy in conducting it so successfully, as in a new and scattered district it cannot be an easy task. But its value is unlimited as it has demonstrated beyond a question that the far famed Beaver Lake and Vermillion Valley well deserves every word of praise that has been said of it.

A full list of the various prize winners will appear in a later issue of the Bulletin.

LECTURE

There was considerable misunderstanding as to whether Rev. John Morrison would deliver his lecture or not. The difficulty was the closing down of the electric light system except in the business portion of the town. However a few lamps were procured and the lecture was delivered in the auditorium of the College avenue Methodist church. The attendance was small. Mr. Morrison handled his subject, "That 207," very creditably. The lecture was amusing, interesting and instructive. The service was opened by the singing of a hymn, led by the choir, and by prayer by Rev. C. H. Huettis. J. Atkins sang a song and the meeting was brought to a close by the singing of the National Anthem. The lecture was given under the auspices of the Epworth League.

THE - BIG - STORE

Harvest Home Sale of Shoes

Shoes for every body are included in our Harvest Sale. Single pairs left over of the different lines are always the hardest to sell. There is nothing wrong with them, only they are in the way and we want the space they occupy for fall lines. We gain nothing by this sale.

You Reap The Benefit

Have a look at this lot, see if the kind you want and the size you wear is amongst them. We have them on our stands with the sizes and prices attached to each shoe. The prices are next to nothing but the shoes are just as good as the first pair that were sold.

BEAVER HILLS

A very pleasant event took place at the home of Mr. R. Hare on Thursday night when a number of friends gathered to bid farewell to Miss Lillie Hare on the eve of her departure to attend Alberta College, Edmonton. A feature of the evening was the presentation of handsome engraved napkin rings to Miss Lillie and Miss M. Doze in recognition of the services in connection with the Methodist church at Beaver Hills. An appreciative address was read by Mr. Tough, after which a very pleasant social evening was spent. Both these young ladies hold public school leaving certificates and are expected to win further laurels at College.

Rev. Mr. Maywood is now our resident clergyman and is fast building up a large congregation. Cutting is now finished here and stacking is in order.

Miss Annie Hughes was the guest of Miss L. Hare on Wednesday, September 28.

Mr. J. Chisholm has finished stacking and reports the crop put in good condition.

We regret that our friend, Mr. S. C. Archibald leaves us for his home near Lacombe. His genial smile will be missed. He goes with the good wishes of all his friends.

Already the farmers are turning the virgin soil for 1905 in the hope of a record crop. "A larger yield of wheat than has been" is the motto.

We are pleased to welcome to our midst Miss Mason, of Nova Scotia. She takes charge of Mansfield school. We extend to her our best wishes in her new field.

Mr. F. Thomas has lost a very valuable horse.

Beaver Hills, Sept. 30.

Musical Education

Excellent training in Music can be obtained in Alberta College, Edmonton. The College has a full staff of specially qualified teachers in the different departments of music associated with Mr. Perry S. Hook, musical director and instructor in piano and theory, and Miss Beatrice Crawford, teacher in piano, Miss Ethel Webster, teacher of voice culture and singing and Miss Edith Webster, teacher of violin. Also there is a department of education and physical culture under the direction of Miss F. A. Bellamy, diplomate Moulton College, Toronto. There will be lectures, recitals, social meetings, etc., from which students will derive great benefit.

The business department is in full operation. Day and night classes, diplomas awarded in stenography and book-keeping. The new building is on First Street. Business and music open now. Arts and Academic October 1st. Intending students should register as soon as possible. For fees and particulars apply to the MUSICAL DIRECTOR, PERCY S. HOOK or PRINCIPAL J. H. RIDDELL, B.A., B.D., EDMONTON.

PRIVATE BILLS

DISCUSSED IN THE ASSEMBLY

Estimates for the current year laid on table. Antonomy correspondence

Bulletin Special Dispatch.

Regina, October 3.—The session this afternoon was confined to the first and second reading of private bills and only lasted a short time. Mr. Haultain laid on the table the estimates for the current year which provides for an expenditure of \$101,540 as against \$89,345 last year. They will be considered by the committee of supplies on Wednesday. The autonomy correspondence was also laid on the table.

THE PREMIER

LEAVES FOR QUEBEC

Where he speaks to-morrow. Hon. Clifford Sifton leaves Friday for the West

Bulletin Special Dispatch.

Ottawa, October 3.—Sir Clifford Sifton left this evening for Quebec where he will speak on Wednesday. He returns the end of the week. Hon. Clifford Sifton expects to leave for the West on Friday next.

IN LESSER SLAVE LAKE

Fish Company this winter

Will be conducted by the Athabasca

N. C. Butterfield arrived in the city last night on his way to Lesser Slave Lake. He represents the Athabasca Fish Company which will operate the lease of the Lesser Slave and Athabasca Lakes for fishing purposes. This lease was secured by the British American Fish Company. Mr. Butterfield leaves for Lesser Slave Lake in a few days to commence active fishing operations. He will then return to Edmonton to make all arrangements for shipping the output. Mr. Geo. who will arrive towards the end of the week from Winnipeg with ten or twelve experienced Lake Winnipeg fishermen, will have charge of the actual fishing operations. About thirty men will be constantly employed at Lesser Slave Lake to begin with, and as the work proceeds the number of men will greatly increase. The company will do business on a large scale, and Edmonton will be their headquarters for supplies and for their shipping. Hatcheries will be erected in the north and a great development in fishing will ensue. Over fifty thousand dollars will be expended in Edmonton this winter, in purchasing supplies, etc. The company intend shipping over fifty cars of whitefish, trout and pickerel this winter, with subsequent large increases. The fishing operations this year will be confined to that section of Lesser Slave Lake between the Narrows and the east end. A thorough test of the lake has already been made.

Revillon Brothers, Limited.

BACK FROM LLOYDMINSTER

Cap. Harbottle and Charlie Rae arrived in the city Saturday evening from Lloydminster. Mr. Harbottle returns from taking ten scows of loads of oats for the Canadian Northern Railway construction gangs at Battleford. Splendid progress was made in the trip down the river considering the slowness of the current owing to the particularly low state of the water. The ten scows got through in safety. Five thousand bushels of oats are needed, besides this heavy shipment for the graders west of Battleford this fall. They report business good at Lloydminster. The crop has been well saved and considerable fall ploughing has been done.

The railway grade is now at a point forty-five miles east of Vegreville, although small patches of grading are being done near Vegreville on the low lands which are generally very wet in the spring. Excellent progress is being made and grading outfit after grading outfit is being moved up from east of Lloydminster. With favorable fall weather the grade should be very near Vegreville before the snow flies.

CHURCH UNION

Editor Bulletin:

In your issue of September 16 I read with much interest a letter of Dr. W. T. Rush, re Church Union, but I fail to catch his point exactly when he refers to "denominational overlapping." Does he mean when the Roman Catholics, the Orthodox Greek, Church or the Church of England are the first in the field that the Presbyterian, Congregational or Methodist denominations should not enter?

I also fail to understand what he means by two or more Sabbaths in one week, also with regard to the support of missions; the church and each denomination I presume supports its own; if a person engages a private chaplain he pays him and nobody else is expected to contribute to his support.

I quite agree with Dr. Rush that to multiply denominations out of missionary funds is a scandal and a sin, but where is the remedy? Unless it be for the various denominations first to unite among themselves and those to unite with the church from which they separated.

C. L. O. CAMERON
Vegreville, September 28.

Improvements at Red Deer Advocate:

Work has begun on a three-story block, 45 by 50 on Gaetz avenue, just behind Phillips Bros. store. The ground floor will contain three store apartments and the other floors will be laid out for offices and chambers. G. A. Love is the owner.

John T. Moore is having a brick two-story block built on Gaetz avenue opposite the post office for a showroom in connection with the electric light plant.

Work has begun on the new Baptist church here this week. It is expected that the congregation will shortly have a place of worship of their own as the work will go right ahead now.

It is a little over a week since the vote on a bill to instal waterworks in Red Deer took place, and on another column will be found a notice for tenders to perform the work. The council are making every effort to have at least the business portion of the town protected and as much more of the residential part of the town as possible. Commendable energy is being used to hasten the work and have as much pipe laid before the ground freezes as can be properly done. Mr. Farncomb has prepared the plans and specifications.

E. W. GILLET COMPANY LIMITED
TORONTO, ONT.

The Canadian Northwest Homestead Regulations

Any even numbered section of Dominion Lands in Manitoba or the Northwest Territories, excepting 8 and 26, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age to the extent of one quarter section, of 160 acres, more or less.

ENTRY.—Entry may be made in the district in which the land to be taken is situated, or, if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the local agent for the district in which the land is situated, receive authority for some one to make entry for him. A fee of \$10.00 is charged for a homestead entry.

HOMESTEAD DUTIES.—A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto, to perform the conditions connected therewith, under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of any person who is eligible to make a homestead entry under the provisions of this Act, reside upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler has obtained a patent for his homestead, or a certificate for the issue of such patent, counterbalanced in the manner prescribed by this Act, and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon said land.

The term "vicinity" used above is meant to indicate the same township or an adjoining or cornering township.

A settler who avails himself of the provisions of Clause 2, 2, or 4, must or substitute 20 head of stock, with buildings for their accommodation, cultivate 30 acres of his homestead, and have besides 80 acres sub-stained.

The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homesteads to entitle them to patent on or before the 2nd June, 1889.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

Application for patent should be made at the end of three years, before the local agent, sub-agent, or Homestead Inspector. Before making application for patent the settler must give six months' notice in writing to the Commissioner of Dominion Lands, at Ottawa, of his intention to do so.

Information—Newly arrived immigrants will receive at the Immigration Office, in Winnipeg, or at any Dominion Lands Office, in Manitoba or the Northwest Territories, information as to the lands that are open for entry, and from the officers, in charge, free of expense, advice and assistance in securing land to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, Manitoba, or to any of the Dominion Lands Agents in Manitoba or the Northwest Territories.

JAMES A. SMART,

Deputy Minister of the Interior, N.H.—In addition to Free Grant Lands to which the regulations above stated refer, thousands of acres of most desirable lands are available for lease or purchase from railroad and other corporations and private firms in Western Canada.

Fall Millinery Opening

This event will be signalized this season with a display of unusual attractiveness. The patterns shown present a harmony of color, combination and a perfection of style that will appeal most strongly to every lover of the beautiful. No trouble has been spared on our part in procuring the most fashionable goods, from the world's greatest fashion centre, and as we have been successful in retaining the services of Miss Elmer, a most skilled and practical milliner, we feel confident that we are putting before our lady patrons as fine an assortment of high-grade Millinery as can be seen in Edmonton.

Opening Wed. and Thurs. October 5th and 6th

THE Oliver Typewriter For Sale

By Buie in Company Limited Edmonton Alta.

LOCAL

The Okotoks annual exhibition will be held this year on October 11.

Rev. Mr. Young, of the Okotoks Presbyterian church, has resigned. He will remove to Toronto.

The new Pendennis Hotel on Jasper avenue east was formally opened yesterday.

Rev. Mr. Kerby of the Calgary Methodist church will lecture in the College avenue Methodist church on Thursday evening.

Millinery openings at Mrs. H. C. MacDonald's and Mrs. M. T. Montgomery's will be held on Wednesday and Thursday of this week.

A public meeting will be held in Robertson's Hall, Edmonton, Friday evening, to be addressed by Frank Oliver, M.P. Mr. Secord or his representative is invited to be present and address the meeting.

The North-West Gas and Oil Company have definitely located a site for the commencement of boring operations. It is just east of the exhibition grounds stables and is on Donald Ross's property.

A number of dishes were left at the skating rink after the hospital ball last Friday evening. Parties leaving same may secure them by calling at the rear door of the rink any time during the day.

Frank Oliver will deliver an address to his friends and supporters in his committee room this evening, October 4, at 8 o'clock. A large turnout is expected. The rooms comprise the hall over the Great West Saddlery Company's premises.

A meeting of the license commissioners for license district No. 8 will be held in Edmonton on Tuesday, November 1, at 11 o'clock to consider the following applications: for licenses: John McNamara, L'Abbe and Dumas, hotels at Riviere Qui Parle.

The Confederate Spy will be produced in Robertson's Hall this evening and to-morrow evening. The acts are being rapidly taken up and a very large attendance is expected. The company is a local one, and is deserving of a large audience which it will doubtless receive.

Okotoks Review.—John Stocks.

Des. Commissioner for Public works Regina, made a flying visit to this district on Tuesday and Wednesday. The object of his visit was to inspect and report to the government on the proposed construction of a dam and protection to the banks of High river. The dam is for the head of the irrigation ditch which leads from High river to Little Bow river which was partly destroyed recently. The establishment of this irrigation ditch will result in giving stockmen sufficient water for their stock during the winter months in the vicinity of the ditch, which was badly needed.

PERSONAL

Dr. Forin returned to the city last night.

Gas Dexe, of Beaver Hills, is in the city to-day.

Bishop Reeves left yesterday morning for Winnipeg.

F. A. Walker, of Fort Saskatchewan was in the city yesterday.

O. M. Biggar returned to the city last night from an eastern trip.

John McNaughton, of Clinton, Ontario, arrived in the city yesterday evening.

Mr. and Mrs. W. R. Hull, wife spent yesterday in the city, returned to Calgary this morning.

Nurse Prior left this morning for Portage la Prairie on a visit.

Rev. Goro Kaburagi returned yesterday evening from a trip to the White Whale Lake district.

Dr. Forin returned Saturday evening from a course in the Chicago hospitals in Surgery and diseases of women. After completing this course he paid a hurried visit to Toronto, Ottawa and Montreal.

FROM THE NORTH

Among the fur traders who arrived in the city on Saturday last from the north were Jas. Hislop, of Hislop and Nagle, whose headquarters are at Fort Resolution; W. Connors, who has been running a steamer from McMurray to Smith's Landing; Chas. Hilker, who has been in charge of Hislop and Nagle's post at Resolution; Fred Rothwell, Resolution; and Henry Fraser, who has been in charge of Hislop and Nagle's post at Wrigley. Geo. McLaughlin, who is expected to arrive in the city towards the end of the week, waited at the Landing for Hislop and Nagle's furs which were being tracked up the Athabasca from McMurray to the Landing. Hislop and Nagle have had a good catch this year, the season being a good one. Mr. and Mrs. Nagle remained in the north this year. Charlie Hilker has been over three years in the north for Hislop and Nagle, all of which he spent at Resolution. He leaves in a couple of weeks to visit his home in Port Elgin, Ontario, after which he will probably return to Edmonton.
